Re: Old Kirker Mine
ACT/021/002
Iron County, Utah

Dear Mr. Bradford:

This letter is to inform you that this division does not have a Mining and Reclamation Plan for the Old Kirker Mine located in Iron County, Utah. Section 40-8-13 of the Utah Mined Land Reclamation Act states that an operator of a mining operation is required to submit a Mining and Reclamation Plan and a Notice of Intent to Mine before any mining operations commence.

At this time we would like to inform you that if active mining operations are occurring at this mine site, your company is not in compliance with the law until said Mining and Reclamation Plan and Notice of Intent are recieved and approved.

Enclosed you will find the necessary forms to start the filing process. Thank you for your cooperation in this matter.

Sincerely,

Ronald W. Daniels
